Dear Shareholder

## LETTER OF OFFER: NON RENOUNCEABLE RIGHTS ISSUE

The board of directors (**Directors**) of Southern Cross Exploration N.L. ACN 000 716 012 (**the Company**) (ASX: SXX) is pleased to offer you the opportunity to participate in a 1 for 1 pro-rata non-renounceable rights issue, as set out in this letter of offer.

The offer is available to all eligible shareholders who are, as at 5.00pm Sydney time on Thursday 18 September 2014 (**Record Date**), registered with a registered address situated in Australia and New Zealand, or outside Australia and New Zealand to the extent that the offer and issue of shares under the rights issue to such shareholder is lawful and permitted without the requirement for the Company to issue or lodge a prospectus or offer document or obtain regulatory approvals or licences in the jurisdiction in which they have their registered address (**Eligible Shareholders**).

### 1. Introduction

#### 1.1 Key Details

The Company invites Eligible Shareholders to participate in a pro-rata non-renounceable non-underwritten rights issue on the basis of 1 fully paid ordinary share in the Company (**Share**) for every 1 Share held at an issue price of \$0.001 per Share (**Issue Price**). The rights issue will result in the issue of a maximum of 538,421,600 new Shares (**New Shares**) to raise a maximum of \$538,421.60 (**Rights Issue**). As the Offer is not underwritten, there is a risk that all New Shares will not be issued.

The Issue Price of \$0.001 per New Share represents a discount of 66% to the volume weighted average share price for the Shares on the Australian Securities Exchange (**ASX**) over the 14 day period ending 11 September 2014 (being the last day of trading before the announcement of the Rights Issue on 12 September 2014).

Any New Shares offered under the Rights Issue that are not applied for by Eligible Shareholders by the Closing Date under their entitlement will form part of the shortfall (**Shortfall**). The Directors reserve the right, subject to the Corporations Act 2001 (Cth) and the Listing Rules, to place any further Shortfall (other than to Directors and related parties of the Company) at their discretion within 3 months after the Closing Date (at a price not less than the Issue Price of \$0.001 per New Share).

It is proposed that the funds raised under the Rights Issue will be used to raise funds for the Company's subscription of its second tranche of shares in Dateline Resources Limited ACN 152 582 217 (**Dateline**), for working capital to meet expenses required to manage a sale, joint venture or re-financing of the Company's mortgage over freehold land in Fiji and to fund the Company's general working capital requirements.

The pro-forma consolidated balance sheet in Section 2.4 illustrates the effect of the Rights Issue on the Company.

## 1.2 Rights Issue pursuant to section 708AA of the Corporations Act

The Rights Issue is made pursuant to section 708AA of the *Corporations Act 2001* (Cth) (**Act**), as modified by ASIC Class Order 08/35, without the issue of a prospectus or disclosure document under Chapter 6D of the Act. This letter of offer is not a prospectus, disclosure document or other offering document under the Corporations Act (or any other Australian or foreign law) and has not been lodged with ASIC.

The Company is a disclosing entity for the purpose of section 111AC of the Act and as such it is subject to regular reporting and disclosure obligations under section 674 of the Act and the ASX Listing Rules (**Listing Rules**). These obligations require the Company to notify ASX of information about specified events and matters as they arise for the purpose of ASX making that information available to the securities exchange conducted by ASX. In particular, the Company has an obligation under the Listing Rules (subject to certain limited exceptions) to notify ASX immediately once it is or becomes aware of any information concerning the Company which a reasonable person would expect to have a material effect on the price or value of Shares issued by the Company.

For the Company to rely on the disclosure exemption in section 708AA of the Corporations Act, the Company is required to lodge a "cleansing notice" under section 708AA(2)(f) of the Corporations Act. That notice is required to:

- (a) set out any information that has been excluded from a continuous disclosure notice in accordance with the Listing Rules and that investors and their professional advisers would reasonably require, and would reasonably expect to find in a disclosure document, for the purpose of making an informed assessment of:
  - (i) the assets and liabilities, financial position and performance, profits and losses and prospects of the Company; or
  - (ii) the rights and liabilities attaching to the New Shares; and
- (b) state the potential effect of the issue of the New Shares on the control of the Company and the consequences of that effect.

The Company has lodged a cleansing notice in respect of the Offer with ASX on Friday, 12 September 2014.

## 2. Details of the Rights Issue

### 2.1 The Offer

The Company is making a pro rata non-renounceable non-underwritten offer of New Shares to Eligible Shareholders to subscribe for 1 New Share for every 1 Share held at the Record Date at the Issue Price of \$0.001 per New Share (the **Offer**). Fractional entitlements to New Shares will be rounded down to the nearest whole New Share.

Your entitlement to New Shares under the Rights Issue (**Entitlement**) is shown on the accompanying Entitlement and Acceptance Form. Details on how to accept the Offer are set out in section 3.

### 2.2 Size of the Offer

The total number of New Shares to be issued under the Offer (and any placement of the Shortfall) will be approximately 538,421,600 (the exact number depends on the rounding up of individual holdings).

The table below sets out, for illustrative purposes only, the existing capital structure (before the Offer) together with the impact of the issue of the New Shares under the Offer.

<b>Shares</b>	<b>Number</b>
Existing Shares as at 12 September 2014	538,421,600
Maximum number of New Shares issued pursuant to the Offer	538,421,600
<b>Total issued Shares following completion of the Offer (assuming Offer is fully subscribed)</b>	<b>1,076,843,200</b>

If the Offer is fully subscribed, the effect of the Offer will be to increase the number of Shares on issue in the Company and increase the cash held by the Company by up to \$538,421.60 (before taking into account the expenses of the Offer). Expenses of the Offer are expected to be approximately \$32,000.

## 2.3 Use of funds of the Rights Issue

The purpose of the Rights Issue is to raise a maximum of \$538,421.60 (assuming the Offer is fully subscribed). Assuming that the maximum amount is raised under the Offer, the funds raised are intended to be allocated as follows:

<b>Proceeds of the issue</b>	<b>Amount \$ (maximum)</b>
Company's subscription for second tranche of shares in Dateline (Note 1)	\$300,000
Working capital to manage the sale, joint venture or re-financing of freehold land in Fiji that is currently used as security for amounts owed to the Company (Note 2)	\$100,000
Costs of the Offer (legal, printing, mailing, ASX Fees and share registry)	\$32,000
General working capital (including sundry creditors, accounting, and administration)	\$106,421.60
<b>Maximum funds raised under the Offer</b>	<b>\$538,421.60</b>

Note 1: The Company's second tranche subscription for 7.5 million shares in Dateline for \$300,000 is due to be completed by 31 December 2014.

Note 2: The Company holds a 20% equity interest in Nadi Bay Beach Corporation (NBBC). NBBC owes the Company in excess of AUD\$7,500,000. The amounts owed are secured by way of a first mortgage over 42 acres of freehold land that is owned by NBBC. The secured debts were due to be repaid by NBBC on March 31, 2014. On July 14, 2014 the Company, in accordance with its rights as a secured lender, exercised its right to foreclose on the freehold land. The Company appointed Mr. Griffon Emose of Kontiki Capital Ltd to act as receiver for the recovery of the secured debts. Working capital is required to fund the process of either a sale, joint venture or re-financing of the freehold land in a manner that will optimize returns for shareholders.

## 2.4 Pro-Forma Balance Sheet

The following pro-forma consolidated balance sheet illustrates the effect of the Rights Issue on the Company. It has been prepared based on the reviewed half yearly financial statements as at 31 December 2013. It is not intended to represent the financial position of the Company upon completion of the Rights Issue. It is provided as an illustration of the effect of the Rights Issue. The actual impact on the Company is dependent on a range of factors, many of which are outside the control of the Company.

The unaudited pro-forma balance sheet as at 31 December 2013 below has been prepared on the basis of the accounting policies normally adopted by the Company and reflects the changes to its financial position as noted below. They have been prepared on the assumption that all New Shares pursuant to the Offer in this letter of offer are issued. As the Offer is not underwritten, there is a risk that all New Shares will not be issued.

The pro-forma balance sheet has been prepared to provide Eligible Shareholders with information on the pro-forma assets and liabilities of the Company. The pro forma financial information is presented in an abbreviated form, insofar as it does not include all of the disclosures required by Australian Accounting Standards applicable to annual financial statements.

Notes to the above pro-forma balance sheet:

The consolidated balance sheet of 31 December 2013 has been extracted from the reviewed half-yearly financial statements. No account has been taken of any trading or transactions of the Company since 31 December 2013 except for the transactions noted below.

- (a) The adjustment to share capital reflects the issue of 538,421,600 New Shares pursuant to the Rights Issue less approximately \$32,000 costs of the Offer.
- (b) The Company's share capital increased by 110,421,600 shares since December 31, 2013 to raise a total of \$734,108.

- (c) A \$300,000 investment was made when the Company subscribed for its first tranche of 7.5 million shares in Dateline on 4 July 2014.

## **2.5 No rights trading**

The Rights Issue is non-renounceable. Accordingly, there will be no trading of rights to subscribe for the New Shares pursuant to this letter of offer (**Rights**) on ASX and Rights may not be sold or transferred.

## **2.6 Offer not underwritten**

The Rights Issue Offer is not underwritten.

Any New Shares not taken up by an Eligible Shareholder by the Closing Date will form part of the Shortfall. The Directors reserve the right, subject to the Corporations Act and the Listing Rules, to place any further Shortfall (other than to Directors and related parties of the Company) at their discretion within 3 months after the close of the Offer (at a price not less than the Issue Price of \$0.001 per New Share).

## **2.7 No cooling off rights**

Cooling off rights do not apply to an investment in New Shares. You cannot withdraw your application under your Entitlement and Acceptance Form once it has been received by the Company.

## **2.8 Potential effect on control**

Eligible Shareholders who take up their Entitlements in full should not have their interest in the Company diluted by the Offer (subject to immaterial movements as a result of rounding of Entitlements).

The potential effect the Offer will have on the control of the Company, and the consequences of that effect, will depend on a number of factors, including the level of acceptances by Eligible Shareholders and the level of any new investor demand in the event there is a Shortfall.

The potential effect of the Offer on the control of the Company is as follows:

- (a) If all Eligible Shareholders take up their Entitlements under the Offer, then the Offer will have no significant effect on the control of the Company.
- (b) If some Eligible Shareholders do not take up all of their Entitlements under the Offer, then the interests of those Eligible Shareholders will be diluted.
- (c) All Directors intend to fully take up their Entitlements under the Offer and their respective interests will increase if no other Eligible Shareholders participate in the Offer and the Directors do not issue any of the Shortfall within 3 months of the Closing Date.
- (d) Stephen Baghdadi, Executive Director holds 19.934% of the issued capital of the Company as at the date of this letter of offer and assuming the maximum number of the New Shares are issued under the Offer and under any Shortfall, he will continue to hold 19.934% of the expanded share capital. However, if the Offer is not fully subscribed by the Closing Date and there is a Shortfall, then the voting power of Stephen Baghdadi after issue of the New Shares but prior to any placement of the Shortfall may increase above 20%.
- (e) The following table sets out the number of Shares and approximate percentage shareholding of Stephen Baghdadi, Director after completion of the Rights Issue,

assuming Stephen Baghdadi takes up his full Entitlement and assuming different levels of acceptances by other Eligible Shareholders and prior to the placement of any Shortfall.

25% of Entitlements taken up	50% of Entitlements taken up	75% Entitlements taken up
Stephen Baghdadi will hold 214,662,762 Shares, being approximately 31.90% of the Shares on issue.	Stephen Baghdadi will hold 214,662,762 Shares, being approximately 26.58% of the Shares on issue.	Stephen Baghdadi will hold 214,662,762 Shares, being approximately 22.78% of the Shares on issue.

- (f) If no Eligible Shareholders other than the Directors (who in aggregate hold approximately 21% of the capital before the Offer) take up their Entitlements under the Offer and the Company issues all of the Shortfall within 3 months after the Closing Date to only a limited number of new investors, this may result in new investors having a substantial interest (between 1% and 5%) in the Company and may potentially result in up to two new investors having a substantial interest of up to 19.99% each in the Company.

The above calculations in 2.8(f) assume that 538,421,600 New Shares are issued under the Offer. However, the exact number of New Shares to be issued pursuant to the Offer cannot be calculated until entitlements have been determined following the Record Date.

## 2.9 ASX quotation of New Shares

The Company has made an application to ASX for the New Shares to be granted quotation on ASX. If that permission is not granted by ASX, the Company will not issue any New Shares and all application monies received (without interest) will be refunded in full to the applicants. The fact that ASX may grant official quotation to the New Shares is not to be taken in any way as an indication of the merits of the Company or the New Shares.

Trading of the New Shares will, subject to ASX approval, occur on or about the date specified in the timetable in Section 1.3 above.

## 2.10 Allotment of New Shares

Subject to the New Shares being granted quotation on ASX, the New Shares will be allotted and issued, and holding statements despatched, in accordance with the timetable. It is expected that New Shares will be allotted on 9 October 2014, and that shareholder statements for the New Shares will be issued on or before 20 October 2014.

## 2.11 Eligible Shareholders

The Offer is available to all Eligible Shareholders who are, as at 5.00pm Sydney time on the Record Date, registered (in accordance with the records of Boardroom Pty Limited, the Company's share registry (**Share Registry**)) with a registered address situated in Australian and New Zealand, or outside Australia and New Zealand to the extent that the offer and issue of shares under the Rights Issue to such shareholder is lawful and permitted without the requirement for the Company to issue or lodge a prospectus or offer document or obtain regulatory approvals or licences in the jurisdiction in which they have their registered addresses.

### **3. Action required by Shareholders**

#### **3.1 Your choices**

- (a) **take up all of your Entitlement in full** (refer to section 3.2);
- (b) **take up part of your Entitlement** and allow the balance to form part of the Shortfall (refer to section 3.3); or
- (c) **not take up any of your Entitlement** and allow all of your Entitlement to form part of the Shortfall (refer to section 3.4).

You cannot sell or transfer any of your Entitlement to another person.

That part of your Entitlement not taken up will form part of the Shortfall.

The issue price of any New Shares offered pursuant to the Shortfall shall be \$0.001 per Share, being the Issue Price at which the Entitlement has been offered to Eligible Shareholders under this letter of offer.

The Company reserves the right to reject any Entitlement and Acceptance Form that is not correctly completed or that is received after the Closing Date. In this case, any application monies (without interest) will be returned.

#### **3.2 Take up all of your Entitlement**

If you wish to take up your Entitlement in full, complete the Entitlement and Acceptance Form in accordance with the instructions set out on the form and forward it, together with your application monies in accordance with section 3.7 for the amount shown on the form, to reach the Share Registry by the Closing Date.

#### **3.3 Taking up part of your Entitlement**

If you wish to take up part of your Entitlement, complete the Entitlement and Acceptance Form for the number of New Shares you wish to take up and forward it, together with your application monies in accordance with section 3.7, to reach the Share Registry by the Closing Date. In this case, the New Shares not taken up by you will form part of the Shortfall.

### **3.4 Not take up any of your Entitlement**

### **3.5 Shortfall**

The Directors reserve the right, subject to the Corporations Act and the Listing Rules, to place any further Shortfall (other than to Directors and related parties of the Company) at their discretion within 3 months after the close of the Offer (at a price not less than the Issue Price of \$0.001 per New Share). If the Shortfall is placed through a licenced broker, fees not exceeding 6% of the funds raised from such placement of the Shortfall will be paid to the broker.

### **3.6 Acceptance of your Entitlement**

The method of acceptance of your Entitlement will depend on your method of payment being by cheque, bank draft or money order.

By completing and returning your personalised Entitlement and Acceptance Form, you will be deemed to have represented that you are an Eligible Shareholder.

Eligible Shareholders that are resident outside Australia should allow for time constraints imposed by mail services when accepting their Entitlements.

### **3.7 Payment for New Shares**

The Issue Price for each New Share accepted under your Entitlement is payable on application. Only payment by cheque, bank draft or money order will be accepted. There is no payment method by BPAY or electronic funds transfer.

For payment by cheque, bank draft or money order, you should complete your personalised Entitlement and Acceptance Form in accordance with the instructions set out on that form and return it to the address specified on the form accompanied by a cheque, bank draft or money order in Australian currency for the amount of the application monies, payable to "Southern Cross Exploration N.L. – and crossed "Not Negotiable".

Your cheque, bank draft or money order must be:

- (a) for an amount equal to \$0.001 multiplied by the number of New Shares that you are applying for; and
- (b) in Australian currency drawn on an Australian branch of a financial institution.

You should ensure that sufficient funds are held in the relevant account(s) to cover the application monies. If the amount of your cheque for application monies (or the amount for which the cheque clears in time for allocation) is insufficient to pay in full for the number of New Shares you have applied for in your personalised Entitlement and Acceptance Form, you will be taken to have applied for such lower number of whole New Shares as your cleared application monies will pay for (and taken to have specified that number of New Shares on your personalised Entitlement and Acceptance Form). Alternatively, your application will not be accepted.

All payments must be in Australian currency. Other currency will not be accepted. Cash payments will not be accepted. Other currency or cash payments will be returned to the applicant and the acceptance will be deemed invalid. The amount payable on application will be deemed not to have been received until the Company's receipt of clear funds.

Receipts for payment will not be issued.

For personal use only

Application monies will be held on trust for applicants until allotment of the New Shares. Any application monies received for more than your final allocation of New Shares will be refunded (except when the amount is less than \$2.00, in which case it will be retained by the Company) on or around 20 October 2014.

No interest will be paid on any application monies received or refunded. Interest earned on application monies will be for the benefit of the Company and will be retained by it whether or not allotment takes place.

### **3.8 Entitlement and Acceptance Form is binding**

A completed and lodged Entitlement and Acceptance Form constitutes a binding offer to acquire New Shares on the terms and conditions set out in this letter of offer and, once lodged, cannot be withdrawn. If the Entitlement and Acceptance Form is not completed correctly, it may still be treated as a valid application for New Shares. The Directors' decision whether to treat an acceptance as valid and how to construe, amend or complete the Entitlement and Acceptance Form is final.
